

Little guide of user

1º - After open the Gladiator, press the " load all " button of Gladiator and load the Gladiator Dance Sound Bank Sound.

2º - Just use and enjoy your product.

3º - Observation: When you load the Gladiator Dance Sounds 1,2...is normal that Expansions(Dance&Trance, StateofArt) and some category will be Init(initial)...

4º - If you wanna user again the Factory Patches of Gladiator, don't needs close and load again the Gladiator, Just push the botton " reset all " of the Gladiator, and all presets of Factory Bank will be loaded again.

With this you get time in you works...
Enjoy...
